

Str. Cartierul de Vile, Sat Bogonos, Comuna Lețcani, Jud. Iași, România

to whom it may concern.

Since 2012 we do use the OPTIMAGS MBCD 1.3 -1 coating machine in our company.

Since its installation, the machine proved to be very accurate regarding film spreading yet robust, reliable, and still easy to operate.

a pecial thanks , for the great and very proffesional services.

Location: Bucharest
